About Us

DMS Food Imports is a company dedicated to providing the finest quality food items from around the world. Our cookies are produced in one of the finest bakeries in Egypt. For nearly 100 years, our partners have been baking these specialty cookies and desserts using only 100% clean, Non-GMO ingredients sourced from the finest European suppliers.

Our cookies are made with pure Belgian chocolate, grass-fed ghee, and nuts from the best international sources. All of our products are mixed, baked, and packaged using the newest European machinery and ovens, ensuring the highest quality and taste.

We are confident that you will enjoy our cookies. ***We offer both branded and private label!*** If you have any questions or would like to place an order, please do not hesitate to contact us.

ENERGY BAR

While maintaining the highest international food quality standards, we establish strong and efficient production lines that enable us to deliver outstanding dry hard candy bars manufactured from the most premium variety of nuts.
